

## OPPORTUNITIES FOR EARLY CAREER RESEARCHERS & STUDENTS

Every two years, the International Society for Prosthetics and Orthotics (ISPO) invites professionals involved in the care of patients in need of mobility products, assistive technology, and rehabilitation services to its World Congress that travels around the globe.

From 16-19 June 2025, you can expect a high-quality scientific programme around the congress theme:

**Science in Practice, Practice in Science:  
Collaboration and innovation towards sustainable rehabilitation**

**ISPO encourages early career researchers and students to attend and to participate actively.**

## ACTIVE PARTICIPATION OPTIONS IN THE PROGRAMME

- **NEW: 3 Minute Thesis (3MT) student competition:**  
Submit an abstract to the 3MT student competition, an academic competition that assists current students with fostering effective presentation and communication skills. As ISPO wants to support students to bring their best 3MT, **mentoring** is available. For further details on the mentors programme please see the website.
- **Free paper and poster presentation:**  
Submit an abstract for free paper presentation. A free paper describes qualitative / quantitative / mixed methods research and is delivered as an oral podium presentation. Top ranking free papers are selected for oral presentation. You can also submit an abstract as poster presentation only.

**CALL FOR PAPERS**  
Submit your abstract for  
**3MT, free paper & poster**  
until **11 November 2024**

Are you a bit unsure and need help with your submission? **Webinars on abstract writing and presentation skills** as well as **abstract triage** are organised to encourage early career researchers, students or those who are new to the ISPO World Congress.

**DON'T WORRY, IT'S EASY: PRESENT YOUR OWN RESEARCH AND / OR LEARN FROM OTHERS!**

### DO YOU PLAN TO ATTEND?

ISPO is aiming to help students and early career researchers to attend the congress. Special registration fees for students are available.

Also look forward to networking opportunities and social activities!
