

ID	Day	Time slot	Presentation category	Session title
16	19 June, Thursday	09:00-10:15	Oral	Health care, policy, sustainability: Natural guidelines, policies and practice
19	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
20	18 June, Wednesday	12:30-13:45	Oral	Device fabrication and design: Socket developments
23	18 June, Wednesday	15:00-16:15	Oral	Prosthetics: bone anchored limbs: Outcomes
26	17 June, Tuesday	14:30-15:45	Oral	Gait and balance: Techniques and measurements
30	19 June, Thursday	14:30-15:45	Oral	Health care, policy, sustainability: Rehabilitation interventions and innovative protocols
35	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: in less resourced settings: User interface and education
36	17 June, Tuesday	14:30-15:45	Oral	Health care, policy, sustainability: Service capacity
37	18 June, Wednesday	15:00-16:15	Poster pitch	Education: Service and clinical education
40	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
43	16 June, Monday	16:15-17:30	Oral	Paediatrics: Prosthetics and orthotics
47	17 June, Tuesday	13:00-14:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Feet
51	19 June, Thursday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Programmes and interfaces
54	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: upper limb: Outcomes
62	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
66	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
66	16 June, Monday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Foot Orthoses
69	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
70	17 June, Tuesday	14:30-15:45	Poster pitch	Health care, policy, sustainability: Service capacity
78	18 June, Wednesday	15:00-16:15	Poster pitch	Education: Service and clinical education
80	17 June, Tuesday	09:00-10:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Gait and balance
83	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
93	17 June, Tuesday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Materials and design
102	19 June, Thursday	13:00-14:15	Oral	Psychosocial issues
104	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
107	19 June, Thursday	13:00-14:15	Oral	Psychosocial issues
113	19 June, Thursday	13:00-14:15	Oral	Psychosocial issues
114	19 June, Thursday	14:30-15:45	Oral	Health care, policy, sustainability: Rehabilitation interventions and innovative protocols
115	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
115	18 June, Wednesday	12:30-13:45	Oral	Outcome measurements: Patient reported outcomes
130	17 June, Tuesday	14:30-15:45	Oral	Health care, policy, sustainability: Service capacity
157	17 June, Tuesday	16:15-17:30	Oral	Outcome Measurements: Clinometric properties
192	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses
197	17 June, Tuesday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Materials and design
199	18 June, Wednesday	15:00-16:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
203	16 June, Monday	16:15-17:30	Oral	Paediatrics: Prosthetics and orthotics
204	16 June, Monday	16:15-17:30	Oral	Device fabrication and design: Orthotic application
206	17 June, Tuesday	13:00-14:15	Oral	Therapy, physical activity, sports: Physical activity
208	16 June, Monday	13:00-14:15	Oral	Health care, policy, sustainability: Assistive devices, policies and framework
209	16 June, Monday	16:15-17:30	Oral	Rehabilitation medicine and surgery: Population interventions
211	17 June, Tuesday	13:00-14:15	Oral	Paediatrics: Paediatric management and service planning
214	19 June, Thursday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Children and adolescents
215	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
216	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses
217	18 June, Wednesday	16:45-18:00	Oral	Prosthetics lower limb: transtibial, ankle, foot: Various topics
220	18 June, Wednesday	12:30-13:45	Oral	Prosthetics: lower limb transfemoral: Knees
222	19 June, Thursday	13:00-14:15	Oral	Outcome measurements: Characterising patient outcomes I
226	18 June, Wednesday	16:45-18:00	Oral	Prize Nominee Session – Best papers in the category Sustainability & Free Paper Session: Seating & wheelchair
227	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: in less resourced settings: User interface and education
228	16 June, Monday	14:30-15:45	Oral	Orthotics: spinal: Treatment
229	17 June, Tuesday	13:00-14:15	Oral	Orthotics: lower limb and footwear: Evidence and guidance
230	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
231	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
232	17 June, Tuesday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Feedback and control

ID	Day	Time slot	Presentation category	Session title
233	18 June, Wednesday	11:30-11:35	Poster pitch	Prize Nominee Session – Best poster prize
234	16 June, Monday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Review, consensus and patient selection
235	19 June, Thursday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Programmes and interfaces
236	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
237	18 June, Wednesday	15:00-16:15	Oral	Prosthetics: bone anchored limbs: Outcomes
238	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
239	17 June, Tuesday	13:00-14:15	Oral	Paediatrics: Paediatric management and service planning
240	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
245	19 June, Thursday	14:30-15:45	Oral	Gait and balance: Comparative
246	19 June, Thursday	14:30-15:45	Oral	Gait and balance: Comparative
249	18 June, Wednesday	15:00-16:15	Oral	Education: Service and clinical education
251	19 June, Thursday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Programmes and interfaces
252	19 June, Thursday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Programmes and interfaces
254	19 June, Thursday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Sockets
255	17 June, Tuesday	14:30-15:45	Poster pitch	Robotics, soft robotics, exoskeletons: Various topics
256	19 June, Thursday	09:00-10:15	Oral	Prosthetics: lower limb transfemoral: Device design
257	19 June, Thursday	09:00-10:15	Oral	Prize Nominee Session – Best papers in the categories Advancing P&O and Advancing Clinical Treatment
258	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
258	18 June, Wednesday	12:30-13:45	Oral	Prosthetics: lower limb transfemoral: Knees
260	18 June, Wednesday	11:30-11:35	Poster pitch	Prize Nominee Session – Best poster prize
261	17 June, Tuesday	13:00-14:15	Oral	Orthotics: lower limb and footwear: Evidence and guidance
262	17 June, Tuesday	16:15-17:30	Oral	Outcome Measurements: Clinometric properties
263	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
264	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
265	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
266	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
267	19 June, Thursday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Children and adolescents
268	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: spinal: Treatment
269	19 June, Thursday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Children and adolescents
271	18 June, Wednesday	15:00-16:15	Poster pitch	Rehabilitation medicine and surgery: Population analysis
272	18 June, Wednesday	15:00-16:15	Oral	Device fabrication and design: Novel design approaches
274	18 June, Wednesday	11:30-11:35	Poster pitch	Prize Nominee Session – Best poster prize
276	18 June, Wednesday	15:00-16:15	Oral	Rehabilitation medicine and surgery: Population analysis
278	19 June, Thursday	09:00-10:15	Oral	Prosthetics: lower limb transfemoral: Device design
279	19 June, Thursday	13:00-14:15	Oral	Psychosocial issues
280	17 June, Tuesday	16:15-17:30	Oral	Gait and balance: Sensory and cognitive
281	19 June, Thursday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Sockets
282	16 June, Monday	13:00-14:15	Oral	Prosthetics and Orthotics: upper limb: Components and rehabilitation
283	17 June, Tuesday	16:15-17:30	Oral	Gait and balance: Sensory and cognitive
284	17 June, Tuesday	16:15-17:30	Oral	Gait and balance: Sensory and cognitive
285	16 June, Monday	13:00-14:15	Oral	Therapy, physical activity, sports: Therapeutic approaches
286	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
287	19 June, Thursday	09:00-10:15	Oral	Prosthetics: lower limb transfemoral: Device design
288	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
289	18 June, Wednesday	16:45-18:00	Oral	Prosthetics lower limb: transtibial, ankle, foot: Various topics
293	18 June, Wednesday	12:30-13:45	Oral	Device fabrication and design: Socket developments
295	19 June, Thursday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Sockets
296	17 June, Tuesday	09:00-10:15	Oral	Orthotics: spinal: Methods
297	17 June, Tuesday	09:00-10:15	Oral	Orthotics: spinal: Methods
300	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
301	17 June, Tuesday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Materials and design
302	19 June, Thursday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Children and adolescents
303	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
304	16 June, Monday	14:30-15:45	Oral	Orthotics: spinal: Treatment

ID	Day	Time slot	Presentation category	Session title
305	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses
308	17 June, Tuesday	13:00-14:15	Oral	Orthotics: lower limb and footwear: Evidence and guidance
309	17 June, Tuesday	16:15-17:30	Oral	Prosthetics: bone anchored limbs: Mechanical loading in standard and bone anchored prostheses
310	17 June, Tuesday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Policies and recommendations
312	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
314	16 June, Monday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Gait
316	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: in less resourced settings: User interface and education
317	17 June, Tuesday	16:15-17:30	Oral	Outcome Measurements: Clinometric properties
318	17 June, Tuesday	14:30-15:45	Oral	Robotics, soft robotics, exoskeletons: Various topics
319	19 June, Thursday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Children and adolescents
320	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
320	17 June, Tuesday	14:30-15:45	Poster pitch	Robotics, soft robotics, exoskeletons: Various topics
322	18 June, Wednesday	16:45-18:00	Oral	Education: Curriculum planning and professional competencies
323	19 June, Thursday	14:30-15:45	Oral	Outcome measurements: Characterising patient outcomes II
325	19 June, Thursday	09:00-10:15	Oral	Prize Nominee Session – Best papers in the categories Advancing P&O and Advancing Clinical Treatment
326	18 June, Wednesday	15:00-16:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
327	19 June, Thursday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Sockets and activity specific devices
328	17 June, Tuesday	14:30-15:45	Oral	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
329	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
330	18 June, Wednesday	15:00-16:15	Oral	Prosthetics: bone anchored limbs: Outcomes
331	16 June, Monday	14:30-15:45	Oral	Orthotics: spinal: Treatment
334	17 June, Tuesday	14:30-15:45	Oral	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
336	16 June, Monday	16:15-17:30	Oral	Device fabrication and design: Orthotic application
337	18 June, Wednesday	15:00-16:15	Poster pitch	Education: Service and clinical education
340	17 June, Tuesday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Policies and recommendations
341	19 June, Thursday	09:00-10:15	Oral	Prize Nominee Session – Best papers in the categories Advancing P&O and Advancing Clinical Treatment
342	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
343	17 June, Tuesday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Materials and design
344	16 June, Monday	16:15-17:30	Oral	Rehabilitation medicine and surgery: Population interventions
345	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
346	18 June, Wednesday	15:00-16:15	Oral	Therapy, physical activity, sports: Sports and movement
347	18 June, Wednesday	15:00-16:15	Poster pitch	Rehabilitation medicine and surgery: Population analysis
348	17 June, Tuesday	13:00-14:15	Oral	Therapy, physical activity, sports: Physical activity
349	19 June, Thursday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Sockets and activity specific devices
350	19 June, Thursday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Sockets
351	19 June, Thursday	14:30-15:45	Oral	Gait and balance: Comparative
352	17 June, Tuesday	16:15-17:30	Oral	Gait and balance: Sensory and cognitive
353	16 June, Monday	16:15-17:30	Oral	Orthotics: lower limb and footwear: Knee
354	17 June, Tuesday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Feedback and control
355	17 June, Tuesday	09:00-10:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Gait and balance
357	16 June, Monday	16:15-17:30	Oral	Paediatrics: Prosthetics and orthotics
358	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
359	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: upper limb: Outcomes
361	17 June, Tuesday	14:30-15:45	Poster pitch	Robotics, soft robotics, exoskeletons: Various topics
362	17 June, Tuesday	14:30-15:45	Poster pitch	Robotics, soft robotics, exoskeletons: Various topics
363	18 June, Wednesday	11:30-11:35	Poster pitch	Prize Nominee Session – Best poster prize
364	17 June, Tuesday	14:30-15:45	Poster pitch	Health care, policy, sustainability: Service capacity
365	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
365	17 June, Tuesday	14:30-15:45	Oral	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
368	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
368	16 June, Monday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Foot Orthoses
369	18 June, Wednesday	16:45-18:00	Oral	Prosthetics lower limb: transtibial, ankle, foot: Various topics
370	18 June, Wednesday	15:00-16:15	Oral	Rehabilitation medicine and surgery: Population analysis

ID	Day	Time slot	Presentation category	Session title
371	17 June, Tuesday	14:30-15:45	Poster pitch	Health care, policy, sustainability: Service capacity
373	18 June, Wednesday	15:00-16:15	Poster pitch	Rehabilitation medicine and surgery: Population analysis
374	16 June, Monday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Gait
375	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
377	18 June, Wednesday	15:00-16:15	Oral	Therapy, physical activity, sports: Sports and movement
378	16 June, Monday	16:15-17:30	Oral	Paediatrics: Prosthetics and orthotics
379	18 June, Wednesday	12:30-13:45	Oral	Prosthetics: lower limb transfemoral: Knees
380	17 June, Tuesday	14:30-15:45	Oral	Gait and balance: Techniques and measurements
382	16 June, Monday	16:15-17:30	Oral	Paediatrics: Prosthetics and orthotics
383	19 June, Thursday	14:30-15:45	Oral	Health care, policy, sustainability: Rehabilitation interventions and innovative protocols
384	17 June, Tuesday	09:00-10:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Gait and balance
385	16 June, Monday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Gait
386	19 June, Thursday	14:30-15:45	Oral	Gait and balance: Comparative
387	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
388	17 June, Tuesday	13:00-14:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Feet
389	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
390	18 June, Wednesday	12:30-14:45	Oral	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
391	18 June, Wednesday	16:45-18:00	Oral	Prize Nominee Session – Best papers in the category Sustainability & Free Paper Session: Seating & wheelchair
392	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
392	18 June, Wednesday	16:45-18:00	Oral	Prosthetics lower limb: transtibial, ankle, foot: Various topics
393	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
394	18 June, Wednesday	16:45-18:00	Oral	Prize Nominee Session – Best papers in the category Sustainability & Free Paper Session: Seating & wheelchair
395	17 June, Tuesday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Materials and design
397	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
399	16 June, Monday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Review, consensus and patient selection
400	19 June, Thursday	14:30-15:45	Oral	Gait and balance: Comparative
402	18 June, Wednesday	12:30-13:45	Oral	Prosthetics: lower limb transfemoral: Knees
403	17 June, Tuesday	14:30-15:45	Poster pitch	Health care, policy, sustainability: Service capacity
404	16 June, Monday	13:00-14:15	Oral	Therapy, physical activity, sports: Therapeutic approaches
405	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
406	18 June, Wednesday	16:45-18:00	Oral	Prosthetics lower limb: transtibial, ankle, foot: Various topics
409	17 June, Tuesday	16:15-17:30	Oral	Prosthetics lower limb: transtibial, ankle, foot: Rehabilitation
410	19 June, Thursday	09:00-10:15	Oral	Prosthetics: lower limb transfemoral: Device design
411	17 June, Tuesday	14:30-15:45	Oral	Health care, policy, sustainability: Service capacity
412	18 June, Wednesday	12:30-13:45	Oral	Prosthetics: lower limb transfemoral: Knees
413	17 June, Tuesday	09:00-10:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Gait and balance
414	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
415	17 June, Tuesday	14:30-15:45	Oral	Health care, policy, sustainability: Service capacity
416	17 June, Tuesday	13:00-14:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Feet
417	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
418	18 June, Wednesday	15:00-16:15	Oral	Rehabilitation medicine and surgery: Population analysis
419	17 June, Tuesday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Materials and design
420	17 June, Tuesday	09:00-10:15	Oral	Orthotics: spinal: Methods
422	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: upper limb: Outcomes
423	18 June, Wednesday	15:00-16:15	Oral	Education: Service and clinical education
424	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
425	18 June, Wednesday	15:00-16:15	Oral	Rehabilitation medicine and surgery: Population analysis
426	18 June, Wednesday	12:30-13:45	Oral	Prosthetics: lower limb transfemoral: Knees
427	18 June, Wednesday	15:00-16:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
428	19 June, Thursday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Sockets
429	19 June, Thursday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Sockets
430	17 June, Tuesday	13:00-14:15	Oral	Therapy, physical activity, sports: Physical activity
432	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2

ID	Day	Time slot	Presentation category	Session title
432	17 June, Tuesday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Feedback and control
433	16 June, Monday	14:30-15:45	Oral	Outcome measurements: Development and integration
434	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
435	17 June, Tuesday	13:00-14:15	Oral	Paediatrics: Paediatric management and service planning
436	17 June, Tuesday	13:00-14:15	Oral	Therapy, physical activity, sports: Physical activity
437	17 June, Tuesday	09:00-10:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Gait and balance
440	17 June, Tuesday	13:00-14:15	Oral	Therapy, physical activity, sports: Physical activity
442	17 June, Tuesday	14:30-15:45	Oral	Health care, policy, sustainability: Service capacity
443	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
443	17 June, Tuesday	13:00-14:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Feet
444	19 June, Thursday	13:00-14:15	Oral	Outcome measurements: Characterising patient outcomes I
445	18 June, Wednesday	12:30-13:45	Oral	Outcome measurements: Patient reported outcomes
447	16 June, Monday	16:15-17:30	Oral	Orthotics: lower limb and footwear: Knee
450	17 June, Tuesday	16:15-17:30	Oral	Prosthetics lower limb: transtibial, ankle, foot: Rehabilitation
451	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
452	16 June, Monday	14:30-15:45	Oral	Outcome measurements: Development and integration
453	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses
454	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
455	19 June, Thursday	09:00-10:15	Oral	Health care, policy, sustainability: Natural guidelines, policies and practice
457	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: upper limb: Outcomes
458	19 June, Thursday	13:00-14:15	Oral	Outcome measurements: Characterising patient outcomes I
459	16 June, Monday	16:15-17:30	Oral	Paediatrics: Prosthetics and orthotics
460	18 June, Wednesday	15:00-16:15	Oral	Prosthetics: bone anchored limbs: Outcomes
461	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
462	19 June, Thursday	09:00-10:15	Oral	Health care, policy, sustainability: Natural guidelines, policies and practice
463	17 June, Tuesday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Policies and recommendations
464	18 June, Wednesday	12:30-13:45	Oral	Outcome measurements: Patient reported outcomes
468	19 June, Thursday	09:00-10:15	Oral	Prize Nominee Session – Best papers in the categories Advancing P&O and Advancing Clinical Treatment
469	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
470	17 June, Tuesday	16:15-17:30	Oral	Prosthetics lower limb: transtibial, ankle, foot: Rehabilitation
471	19 June, Thursday	14:30-15:45	Oral	Outcome measurements: Characterising patient outcomes II
472	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
473	17 June, Tuesday	09:00-10:15	Oral	Orthotics: spinal: Methods
474	16 June, Monday	14:30-15:45	Oral	Orthotics: spinal: Treatment
475	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
476	18 June, Wednesday	15:00-16:15	Oral	Rehabilitation medicine and surgery: Population analysis
477	18 June, Wednesday	16:45-18:00	Oral	Prosthetics lower limb: transtibial, ankle, foot: Various topics
478	19 June, Thursday	13:00-14:15	Oral	Outcome measurements: Characterising patient outcomes I
481	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
482	16 June, Monday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Gait
483	17 June, Tuesday	09:00-10:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Gait and balance
484	18 June, Wednesday	16:45-18:00	Oral	Prize Nominee Session – Best papers in the category Sustainability & Free Paper Session: Seating & wheelchair
485	18 June, Wednesday	12:30-13:45	Oral	Device fabrication and design: Socket developments
487	17 June, Tuesday	13:00-14:15	Oral	Paediatrics: Paediatric management and service planning
488	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
491	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: spinal: Treatment
492	19 June, Thursday	09:00-10:15	Oral	Prize Nominee Session – Best papers in the categories Advancing P&O and Advancing Clinical Treatment
493	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
494	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: in less resourced settings: User interface and education
496	17 June, Tuesday	09:00-10:15	Oral	Orthotics: spinal: Methods
497	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
498	19 June, Thursday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Sockets and activity specific devices
499	16 June, Monday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Review, consensus and patient selection

ID	Day	Time slot	Presentation category	Session title
500	19 June, Thursday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Sockets and activity specific devices
501	16 June, Monday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Review, consensus and patient selection
502	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
503	17 June, Tuesday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Policies and recommendations
505	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
505	19 June, Thursday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Sockets and activity specific devices
506	16 June, Monday	16:15-17:30	Oral	Rehabilitation medicine and surgery: Population interventions
507	19 June, Thursday	13:00-14:15	Oral	Outcome measurements: Characterising patient outcomes I
508	19 June, Thursday	13:00-14:15	Oral	Psychosocial issues
510	18 June, Wednesday	15:00-16:15	Oral	Education: Service and clinical education
511	17 June, Tuesday	16:15-17:30	Oral	Prosthetics lower limb: transtibial, ankle, foot: Rehabilitation
512	19 June, Thursday	13:00-14:15	Oral	Psychosocial issues
513	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
514	19 June, Thursday	09:00-10:15	Oral	Health care, policy, sustainability: Natural guidelines, policies and practice
515	17 June, Tuesday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Feedback and control
516	19 June, Thursday	14:30-15:45	Oral	Outcome measurements: Characterising patient outcomes II
517	18 June, Wednesday	16:45-18:00	Oral	Prize Nominee Session – Best papers in the category Sustainability & Free Paper Session: Seating & wheelchair
518	16 June, Monday	13:00-14:15	Oral	Therapy, physical activity, sports: Therapeutic approaches
519	19 June, Thursday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Sockets and activity specific devices
520	16 June, Monday	16:15-17:30	Oral	Device fabrication and design: Orthotic application
521	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
522	17 June, Tuesday	14:30-15:45	Oral	Health care, policy, sustainability: Service capacity
523	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
523	19 June, Thursday	09:00-10:15	Oral	Health care, policy, sustainability: Natural guidelines, policies and practice
524	18 June, Wednesday	16:45-18:00	Oral	Education: Curriculum planning and professional competencies
525	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses
526	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
527	19 June, Thursday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Sockets and activity specific devices
528	18 June, Wednesday	15:00-16:15	Poster pitch	Education: Service and clinical education
529	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
530	16 June, Monday	13:00-14:15	Oral	Health care, policy, sustainability: Assistive devices, policies and framework
531	16 June, Monday	13:00-14:15	Oral	Health care, policy, sustainability: Assistive devices, policies and framework
532	16 June, Monday	13:00-14:15	Oral	Health care, policy, sustainability: Assistive devices, policies and framework
534	19 June, Thursday	14:30-15:45	Oral	Outcome measurements: Characterising patient outcomes II
535	19 June, Thursday	09:00-10:15	Oral	Prosthetics: lower limb transfemoral: Device design
536	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
536	18 June, Wednesday	15:00-16:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
537	18 June, Wednesday	15:00-16:15	Poster pitch	Rehabilitation medicine and surgery: Population analysis
538	18 June, Wednesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
538	18 June, Wednesday	12:30-13:45	3MT	Device fabrication and design: Socket developments
539	19 June, Thursday	14:30-15:45	Oral	Health care, policy, sustainability: Rehabilitation interventions and innovative protocols
541	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: in less resourced settings: User interface and education
543	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: in less resourced settings: User interface and education
544	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses
545	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
545	18 June, Wednesday	15:00-16:15	Poster pitch	Rehabilitation medicine and surgery: Population analysis
546	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
547	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
547	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
550	18 June, Wednesday	12:30-13:45	Oral	Outcome measurements: Patient reported outcomes
551	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
552	17 June, Tuesday	16:15-17:30	Oral	Gait and balance: Sensory and cognitive
556	16 June, Monday	16:15-17:30	Oral	Rehabilitation medicine and surgery: Population interventions
558	17 June, Tuesday	14:30-15:45	Poster pitch	Robotics, soft robotics, exoskeletons: Various topics

ID	Day	Time slot	Presentation category	Session title
560	19 June, Thursday	14:30-15:45	Oral	Gait and balance: Comparative
561	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
562	17 June, Tuesday	14:30-15:45	Oral	Robotics, soft robotics, exoskeletons: Various topics
565	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics: bone anchored limbs: Outcomes
566	18 June, Wednesday	15:00-16:15	Oral	Therapy, physical activity, sports: Sports and movement
567	16 June, Monday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Review, consensus and patient selection
568	17 June, Tuesday	14:30-15:45	Oral	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
570	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
571	18 June, Wednesday	12:30-13:45	Oral	Device fabrication and design: Socket developments
571	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
573	17 June, Tuesday	14:30-15:45	Poster pitch	Robotics, soft robotics, exoskeletons: Various topics
574	18 June, Wednesday	15:00-16:15	Oral	Prosthetics: bone anchored limbs: Outcomes
575	18 June, Wednesday	15:00-16:15	Oral	Education: Service and clinical education
576	17 June, Tuesday	14:30-15:45	Poster pitch	Health care, policy, sustainability: Service capacity
577	17 June, Tuesday	09:00-10:15	Oral	Orthotics: spinal: Methods
578	18 June, Wednesday	16:45-18:00	Oral	Education: Curriculum planning and professional competencies
579	17 June, Tuesday	14:30-15:45	Oral	Robotics, soft robotics, exoskeletons: Various topics
580	17 June, Tuesday	14:30-15:45	Oral	Gait and balance: Techniques and measurements
581	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
584	18 June, Wednesday	15:00-16:15	Oral	Therapy, physical activity, sports: Sports and movement
585	19 June, Thursday	14:30-15:45	Oral	Gait and balance: Comparative
586	18 June, Wednesday	12:30-13:45	Oral	Prosthetics: lower limb transfemoral: Knees
589	16 June, Monday	14:30-15:45	Oral	Outcome measurements: Development and integration
590	17 June, Tuesday	16:15-17:30	Oral	Outcome Measurements: Clinometric properties
592	19 June, Thursday	14:30-15:45	Oral	Health care, policy, sustainability: Rehabilitation interventions and innovative protocols
593	17 June, Tuesday	14:30-15:45	Poster pitch	Health care, policy, sustainability: Service capacity
594	16 June, Monday	16:15-17:30	Oral	Paediatrics: Prosthetics and orthotics
595	19 June, Thursday	13:00-14:15	Oral	Outcome measurements: Characterising patient outcomes I
596	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses
597	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: in less resourced settings: User interface and education
601	18 June, Wednesday	15:00-16:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
602	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: spinal: Treatment
603	19 June, Thursday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Sockets
604	16 June, Monday	16:15-17:30	Oral	Rehabilitation medicine and surgery: Population interventions
605	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
606	16 June, Monday	16:15-17:30	Oral	Rehabilitation medicine and surgery: Population interventions
607	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
608	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
609	19 June, Thursday	09:00-10:15	Oral	Prosthetics: lower limb transfemoral: Device design
610	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
613	16 June, Monday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Gait
616	17 June, Tuesday	14:30-15:45	Oral	Gait and balance: Techniques and measurements
617	17 June, Tuesday	13:00-14:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Feet
618	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: spinal: Treatment
620	16 June, Monday	16:15-17:30	Oral	Orthotics: lower limb and footwear: Knee
621	17 June, Tuesday	14:30-15:45	Poster pitch	Health care, policy, sustainability: Service capacity
622	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
623	17 June, Tuesday	16:15-17:30	Oral	Outcome Measurements: Clinometric properties
624	19 June, Thursday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Programmes and interfaces
625	16 June, Monday	16:15-17:30	Oral	Device fabrication and design: Orthotic application
627	17 June, Tuesday	13:00-14:15	Oral	Paediatrics: Paediatric management and service planning
628	17 June, Tuesday	16:15-17:30	Oral	Prosthetics: bone anchored limbs: Mechanical loading in standard and bone anchored prostheses
630	17 June, Tuesday	13:00-14:15	Oral	Therapy, physical activity, sports: Physical activity
631	16 June, Monday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Foot Orthoses

ID	Day	Time slot	Presentation category	Session title
632	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
633	16 June, Monday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Gait
635	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
636	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
636	16 June, Monday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Foot Orthoses
637	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
639	16 June, Monday	16:15-17:30	Oral	Device fabrication and design: Orthotic application
640	16 June, Monday	16:15-17:30	Oral	Rehabilitation medicine and surgery: Population interventions
641	16 June, Monday	14:30-15:45	Oral	Outcome measurements: Development and integration
642	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
642	17 June, Tuesday	16:15-17:30	Oral	Prosthetics lower limb: transtibial, ankle, foot: Rehabilitation
643	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
644	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
645	16 June, Monday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Foot Orthoses
646	17 June, Tuesday	16:15-17:30	Oral	Gait and balance: Sensory and cognitive
647	17 June, Tuesday	13:00-14:15	3MT	3 Minute Thesis (3MT) student competition: Part 1
647	18 June, Wednesday	15:00-16:15	Oral	Device fabrication and design: Novel design approaches
648	17 June, Tuesday	14:30-15:45	Oral	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
649	17 June, Tuesday	14:30-15:45	Oral	Robotics, soft robotics, exoskeletons: Various topics
650	18 June, Wednesday	15:00-16:15	Poster pitch	Rehabilitation medicine and surgery: Population analysis
651	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
652	17 June, Tuesday	09:00-10:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Gait and balance
653	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
653	17 June, Tuesday	09:00-10:15	Oral	Orthotics: spinal: Methods
654	17 June, Tuesday	16:15-17:30	Oral	Prosthetics: bone anchored limbs: Mechanical loading in standard and bone anchored prostheses
655	17 June, Tuesday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Materials and design
656	18 June, Wednesday	12:30-13:45	Oral	Outcome measurements: Patient reported outcomes
657	19 June, Thursday	13:00-14:15	Oral	Outcome measurements: Characterising patient outcomes I
660	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
660	17 June, Tuesday	13:00-14:15	Oral	Orthotics: lower limb and footwear: Evidence and guidance
661	18 June, Wednesday	15:00-16:15	Oral	Education: Service and clinical education
662	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Policies and recommendations
663	18 June, Wednesday	15:00-16:15	Poster pitch	Education: Service and clinical education
664	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
666	18 June, Wednesday	16:45-18:00	Oral	Prize Nominee Session – Best papers in the category Sustainability & Free Paper Session: Seating & wheelchair
667	17 June, Tuesday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Materials and design
668	16 June, Monday	16:15-17:30	Oral	Device fabrication and design: Orthotic application
669	19 June, Thursday	13:00-14:15	Oral	Psychosocial issues
670	16 June, Monday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Review, consensus and patient selection
671	18 June, Wednesday	12:30-13:45	Oral	Device fabrication and design: Socket developments
672	16 June, Monday	16:15-17:30	Oral	Orthotics: lower limb and footwear: Knee
673	17 June, Tuesday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Policies and recommendations
675	16 June, Monday	16:15-17:30	Oral	Orthotics: lower limb and footwear: Knee
676	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
677	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
679	17 June, Tuesday	13:00-14:15	Oral	Orthotics: lower limb and footwear: Evidence and guidance
680	18 June, Wednesday	15:00-16:15	Poster pitch	Therapy, physical activity, sports: Sports and movement
681	16 June, Monday	13:00-14:15	Oral	Prosthetics and Orthotics: upper limb: Components and rehabilitation
682	19 June, Thursday	09:00-10:15	Oral	Health care, policy, sustainability: Natural guidelines, policies and practice
683	16 June, Monday	13:00-14:15	Oral	Therapy, physical activity, sports: Therapeutic approaches
684	17 June, Tuesday	13:00-14:15	Oral	Therapy, physical activity, sports: Physical activity
685	16 June, Monday	13:00-14:15	Oral	Therapy, physical activity, sports: Therapeutic approaches
686	18 June, Wednesday	15:00-16:15	Oral	Therapy, physical activity, sports: Sports and movement
687	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: lower limb and footwear: Foot Orthoses

ID	Day	Time slot	Presentation category	Session title
688	18 June, Wednesday	16:45-18:00	Oral	Prize Nominee Session – Best papers in the category Sustainability & Free Paper Session: Seating & wheelchair
689	17 June, Tuesday	16:15-17:30	Oral	Outcome Measurements: Clinometric properties
690	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
691	16 June, Monday	16:15-17:30	Oral	Device fabrication and design: Orthotic application
692	17 June, Tuesday	13:00-14:15	Oral	Orthotics: lower limb and footwear: Evidence and guidance
693	16 June, Monday	13:00-14:15	Oral	Therapy, physical activity, sports: Therapeutic approaches
694	18 June, Wednesday	15:00-16:15	Poster pitch	Rehabilitation medicine and surgery: Population analysis
695	19 June, Thursday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Children and adolescents
696	16 June, Monday	13:00-14:15	Oral	Health care, policy, sustainability: Assistive devices, policies and framework
697	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
698	17 June, Tuesday	16:15-17:30	Oral	Prosthetics lower limb: transtibial, ankle, foot: Rehabilitation
699	19 June, Thursday	14:30-15:45	Oral	Outcome measurements: Characterising patient outcomes II
701	16 June, Monday	13:00-14:15	Oral	Prosthetics and Orthotics: upper limb: Components and rehabilitation
702	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: upper limb: Outcomes
703	17 June, Tuesday	16:15-17:30	Oral	Prosthetics: bone anchored limbs: Mechanical loading in standard and bone anchored prostheses
704	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
705	18 June, Wednesday	15:00-16:15	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Manufacture and design
706	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
707	18 June, Wednesday	12:30-13:45	Oral	Outcome measurements: Patient reported outcomes
708	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: in less resourced settings: User interface and education
709	19 June, Thursday	14:30-15:45	Oral	Health care, policy, sustainability: Rehabilitation interventions and innovative protocols
710	19 June, Thursday	14:30-15:45	Oral	Health care, policy, sustainability: Rehabilitation interventions and innovative protocols
711	17 June, Tuesday	13:00-14:15	Oral	Orthotics: lower limb and footwear: Evidence and guidance
712	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: in less resourced settings: User interface and education
713	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: in less resourced settings: User interface and education
714	16 June, Monday	13:00-14:15	Oral	Prosthetics and Orthotics: upper limb: Components and rehabilitation
715	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
716	16 June, Monday	13:00-14:15	Oral	Health care, policy, sustainability: Assistive devices, policies and framework
717	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
718	17 June, Tuesday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Feedback and control
719	19 June, Thursday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Programmes and interfaces
720	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: spinal: Treatment
721	18 June, Wednesday	15:00-16:15	Oral	Device fabrication and design: Novel design approaches
722	17 June, Tuesday	14:30-15:45	Oral	Robotics, soft robotics, exoskeletons: Various topics
723	18 June, Wednesday	12:30-13:45	Oral	Outcome measurements: Patient reported outcomes
724	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics: lower limb transfemoral: Gait
725	19 June, Thursday	09:00-10:15	Oral	Prize Nominee Session – Best papers in the categories Advancing P&O and Advancing Clinical Treatment
726	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
727	18 June, Wednesday	15:00-16:15	Poster pitch	Education: Service and clinical education
729	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: in less resourced settings: User interface and education
730	17 June, Tuesday	13:00-14:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Feet
731	16 June, Monday	14:30-15:45	Oral	Outcome measurements: Development and integration
732	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
733	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
734	18 June, Wednesday	15:00-16:15	Oral	Rehabilitation medicine and surgery: Population analysis
736	16 June, Monday	14:30-15:45	Oral	Prosthetics and Orthotics: upper limb: Outcomes
737	16 June, Monday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Review, consensus and patient selection
738	16 June, Monday	14:30-15:45	Poster pitch	Orthotics: spinal: Treatment
739	17 June, Tuesday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Feedback and control
740	16 June, Monday	14:30-15:45	Poster pitch	Outcome measurements: Development and integration
741	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: in less resourced settings: User interface and education
743	17 June, Tuesday	16:15-17:30	Oral	Outcome Measurements: Clinometric properties
744	18 June, Wednesday	16:45-18:00	Oral	Education: Curriculum planning and professional competencies

ID	Day	Time slot	Presentation category	Session title
748	16 June, Monday	13:00-14:15	Oral	Prosthetics and Orthotics: upper limb: Components and rehabilitation
749	18 June, Wednesday	15:00-16:15	Oral	Device fabrication and design: Novel design approaches
751	18 June, Wednesday	12:30-13:45	3MT	3 Minute Thesis (3MT) student competition: Part 2
751	19 June, Thursday	13:00-14:15	Oral	Prosthetics: bone anchored limbs: Programmes and interfaces
752	17 June, Tuesday	13:00-14:15	Oral	Prosthetics lower limb: transtibial, ankle, foot: Feet
753	18 June, Wednesday	15:00-16:15	Oral	Prosthetics: bone anchored limbs: Outcomes
756	17 June, Tuesday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Materials and design
757	17 June, Tuesday	14:30-15:45	Poster pitch	Robotics, soft robotics, exoskeletons: Various topics
760	17 June, Tuesday	14:30-15:45	Poster pitch	Gait and balance: Techniques and measurements
761	17 June, Tuesday	14:30-15:45	Poster pitch	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
762	17 June, Tuesday	14:30-15:45	Oral	Orthotics: lower limb and footwear: Materials and design
764	16 June, Monday	13:00-14:15	Oral	Health care, policy, sustainability: Assistive devices, policies and framework
766	16 June, Monday	14:30-15:45	Poster pitch	Prosthetics and Orthotics: upper limb: Outcomes
767	18 June, Wednesday	16:45-18:00	Oral	Education: Curriculum planning and professional competencies
768	16 June, Monday	14:30-15:45	Oral	Orthotics: spinal: Treatment
770	17 June, Tuesday	09:00-10:15	Oral	Prosthetics and Orthotics: upper limb: Feedback and control
771	17 June, Tuesday	14:30-15:45	Oral	Robotics, soft robotics, exoskeletons: Various topics
773	18 June, Wednesday	15:00-16:15	Poster pitch	Device fabrication and design: Novel design approaches
777	17 June, Tuesday	14:30-15:45	Oral	Prosthetics: lower limb transfemoral: Policies and recommendations
778	17 June, Tuesday	14:30-15:45	Oral	Prosthetics lower limb: transtibial, ankle, foot: Liner and socket design
779	17 June, Tuesday	14:30-15:45	Oral	Gait and balance: Techniques and measurements
782	18 June, Wednesday	16:45-18:00	Oral	Education: Curriculum planning and professional competencies
783	16 June, Monday	14:30-15:45	Oral	Outcome measurements: Development and integration
785	16 June, Monday	13:00-14:15	Oral	Prosthetics and Orthotics: upper limb: Components and rehabilitation
786	16 June, Monday	13:00-14:15	Oral	Therapy, physical activity, sports: Therapeutic approaches
