ENABLE YOUR POTENTIAL – JOIN OUR START-UP AREA!

Innovative solutions by thinking differently!

The International Society of Prosthetics and Orthotics (ISPO) invites young innovative companies specialised in modern orthopedic treatment and care to showcase their innovations in the special start-up area at the I.S.P.O. 20th World Congress in Stockholm, Sweden! The congress combines a high-quality scientific programme with an international exhibition and offers the ideal opportunity to get in touch with professionals from all over the globe. Don't miss the chance to enable your potential and showcase your products at the premier global event for mobility products in 2025!

Excellent networking opportunities and ideal conditions

The familiar atmosphere of the congress offers an ideal opportunity to exchange and interact with exhibitors, delegates and other key players of the industry. Take advantage of ISPO's well-established community with over 3,300 members in 100 countries as well as more than 80 national member societies worldwide. The start-up area will be placed centrally in the exhibition hall and ensure a high visibility of your trade show participation. We further support you with special press and promotional activities through diverse ISPO communication channels.
