I. Important Information and Contacts

a. Important Information

PLEASE READ CAREFULLY!

The rules and regulations (see separate file) governing I.S.P.O. 20th World Congress in Stockholm, SWEDEN are an integral part of the contract for exhibit space and have been established for the protection of everyone.

This manual has been compiled to simplify the preparation of the exhibition for you. Compliance with the contents and deadlines is the basis for the smooth handling of all relevant matters. Please keep a copy of the submitted schedules in your documents so that any queries can be dealt with as fast as possible and invoices are paid on time.

You may address queries to us at any time using the contact information on page 4. We will try to answer your questions as quickly as possible and to promptly provide you with the information you need.

All orders are binding. Fees must also be paid completely in case of cancellation. See the [I.S.P.O. 20th World Congress Special conditions of participation](#) of Leipziger Messe.

Please note the specified deadlines. Late orders after the indicated deadline will be subject to a surcharge of at least 50% while on-site orders will carry a 100% surcharge.

Quick Overview of Important Rules

Extra Hours Permission:	Exhibitors working outside posted hours must obtain an "Extra Time Permission" from Leipziger Messe International (LMI), which should be ordered in advance.
Electrical Wiring:	It is forbidden to use electrical hook-ups of other exhibitors. Please note that the cables will come from the nearest pit to the wished place. Cables have to be covered properly and with a caution tape (see technical rules).
External Constructors:	If you hire an external constructor to build your booth, please notify LMI of the company's name, address and person to contact. You are responsible for the external constructor.
Hazardous Items:	Special rules apply. Please get in touch with the relevant authorities.
Setup:	Time schedule for installation is specified in the Event Timetable. Extended hours for stand build-up should be requested at least 30 days prior to the exhibition.
Dismantling:	Exhibits must be kept intact until close of exhibition. You can begin dismantling your stand as soon as the event closes. However, remain within your own stand space until the aisle carpets have been removed and stored goods and empty packaging have been brought to the hall.

Material Handling/Transportation to Booths and Customs:

Please contact the official freight forwarder Pro Messe Service **by mid-March due to special customs rules for medical devices. The official freight forwarder shall be entitled to carry exhibits/booth material** inside the facility, deal with customs and handle the collection and delivery of empty crates.

➔ [See Form C4 for details. You can also work with other shipping companies.](#)

Special Rules for Individual Booths:

Booth Construction Approval:	Every exhibitor with an own stand (not booked a stand package) has to submit dimensioned drawings to Leipziger Messe International (LMI), in order to get a stand construction approval. It is mandatory to cover the floor. Walls must be erected to the adjoining neighbors. If walls from neighboring standard stands are used for this purpose, the rental price for walls must be paid. The walls of stands adjacent to the hall wall may require a rear wall. The side/material facing the stand neighbor must be white and smooth, or as mutually agreed. All connections to the exhibition hall's fixed installations (e.g. power, water, sewage) must be carried out by Stockholmsmässan's authorized service partner.
Booth Design:	Max wall height 5m (suspensions - 6m) . At least 60% of each frontage has to be open or fitted with approved transparent material. Only water-based paints may be used (prefabrication needed). Only fireproof timber constructions are allowed. False ceilings have to be water-permeable.
Back Walls:	Back walls are mandatory. Standard height max. 2.5m. The height of the stands is limited to 5 meters. The design for stands higher than 2.5m must be approved in any case. You have to submit your drawings to LMI. Area behind back walls has to be kept clear at all times to ensure clearance from next back wall. Roll-ups and press walls can't be used as partition.
Floor Covering:	Floor covering is mandatory for all booth spaces. Floor covering material must be fire-retardant.
Fire Protection:	Stand walls and ceilings should consist of fire-retardant materials or Euroclass B-s1, d0, i.e. as good as or better than wood. You should display the type approval or certificate from RISE Research Institutes of Sweden on your stand unless there is some other way for you to clearly show that approved material has been used. Fabric ceilings and other décor must be treated with a fireproofing agent. Such fireproofing is available for purchase from the Service Center of Stockholmsmässan. Each individually designed stand has to be equipped with a fire extinguisher.
Exclusive Suppliers:	Catering, suspensions, power and water supply, internet, cleaning, security guards must be carried out by Stockholmsmässan's authorized service partner.
Suspensions:	Can be outside booth perimeters if technically needed; installation/dismantling must be arranged with official contractor; must be hung before the morning of the first setup day; lighting truss booth plans must be approved 30 days in advance; if there are any complaints regarding lighting hung from a truss, you will be responsible for adjusting or turning it off.
Hanging Signs/Banners:	Additional order needed. We offer banner/sign packages. Max height 6m (top edge).
Lighting:	Spotlights may not extend more than 35 cm over an aisle. Special lighting effects require the prior approval of LMI.
Stand Stability:	Booths must comply with certain stand stability requirements.

Health and Safety Regulations:

**Health and Safety
Risks during
Construction:**

For each individual booth arranged by an external stand constructor (not Stockholmsmässan), a risk assessment must be submitted. The external stand constructor has to agree to the health and safety regulations of Stockholmsmässan. The relevant documents will be provided separately from this Exhibitor Manual.

Protective footwear:

Must be worn during setup and dismantling. Protective footwear must have toe caps and a closed heel area, i.e. lowest protection class S1. If you do not have protective footwear, you can buy it in the Service Center stores of Stockholmsmässan.

**Accidents and First
Aid:**

If you are witness to or victim of an accident, no matter how small, it is your own responsibility to contact a Security Officer by calling +46 (0)8-749 99 11 or going to the security station at the main entrance. First aid is available in the facility. Resting rooms and first aid equipment are available at the Hall A entrance, and paramedics can be reached by calling +46 (0)8-749 41 61.

b. Important Dates/Venue

Congress Venue

Stockholmsmässan
Mässvägen 1, Älvsjö, Stockholm, Sweden

DESCRIPTION	QTY	PRICE EUR	TOTAL
Socket with 3 plugs, 2 kW 230 V, 1 phase Please indicate where to place (use form B3)		189,00	
Socket 24-hour electricity, 2 kW 230 V, 1 phase Please indicate where to place (use form B3)		299,00	
Spotlight long arm, LED 9,5 W, 55 cm		70,00	
Multi plug extension cord		35,00	

Sweden uses the Type F socket (also known as Schuko socket).
This socket type is compatible with plug type F and Type C,
used in other countries.

**We highly recommend you to check before travelling, if you
need an adapter.**

Type F socket

Type F plug

Type C plug

For technical reasons on most standard stands an uncovered power source [DB – Distribution Board] is placed **which is visible on the stand!** On stands with a cabin the DB will be placed there.

Power supply for space only stands

If you have opted for 'space only', and do require electrics, you can order power supply along with an uncovered DB – Distribution Board. Please indicate where the DB shall be located. Please note that the cable will come from the nearest pit to the desired location at the booth. Cables have to be covered properly and with a caution tape (see technical rules).

Distribution Board

All electrical connection options listed below include cables and consumption.

DESCRIPTION	QTY	PRICE EUR	TOTAL
Power outlet 3-phase 16A		585,00

If you order additional furniture (e.g. showcase with light, socket, cabin, screen), please suggest the position desired by indicating it on the plan below (without tables or chairs). If you have booked a fully equipped booth and would like the positioning to be changed, please mark this on the plan below as well.

If you do not indicate your required positioning, the contractor will position items at their discretion. The subsequent relocation of fittings will not be carried out by the organizer until the preceding orders have been completed and will result in additional charges.

Please specify the position of your storage/cabin. Please tick the boxes:

Deadline:**30/04/2025**

Mässrestauranger AB is the exclusive catering partner of Stockholmsmässan. Mässrestauranger is in charge of the serving permit for all food and drinks at the fair and we therefore ask you to contact them.

Mässrestauranger can offer you a wide range of services, whether refreshment for your staff, snacks and special treats for your customers or catering for an event on your stand. If you want to rent a coffee machine, beer taps or water coolers, this should also be booked via Mässrestauranger.

Please inquire about the catering options, prices and deadlines for ordering directly using the contact information below:

Phone: +46 8 727 72 40**Email: ISPO.catering@massrestauranger.se**

Please consider the catering rules mentioned in the Technical Rules and note following restrictions:

Serving and licensing of alcohol

Please note that Mässrestauranger AB has **the exclusive license** for alcohol distribution on the premises, including all restaurants, conferences and events. Mässrestauranger will deliver directly to your booth and provides an assortment of cold drinks, glasses and personnel.

Please note the following regulations for serving alcohol:

- Serving alcohol is not allowed before 11:00
- It is prohibited to serve alcohol to persons under the age of 18
- You need specific alcohol permission to server alcohol after the event has closed for the day
- During moving in and dismantling alcohol is strictly forbidden on the premises

Popcorn

Popcorn (regardless of whether it is popcorn from popcorn machines or packaged popcorn) **is not allowed to be served** at the Stockholmsmässan. This is due to the risk that the popcorn machines trigger our fire alarms and the disproportionately large cleaning required in and around the stands that serve popcorn.

C2 Information: Exhibitor Badges and further Tickets 1/2**Fax to: +49 (0) 341 678 7912 Email: ispo@lm-international.com****COMPLIMENTARY EXHIBITOR PASSES**

A number of **complimentary exhibitor passes** is provided to you depending on your booth size.

- For the first 9 sqm, two exhibitor passes are provided.
- For each additional 9 sqm, you will receive one additional exhibitor pass up to a maximum of 25 passes for each stand.

Furthermore, you will receive one free pass for each registered co-exhibitor.

Exhibitor passes grant access to the exhibition hall, however, they do NOT give access to any congress sessions or other activities. The pass does not allow access to the exhibition area outside the official opening times for stand staff.

Exhibitor passes must be personalised and include the following information: first name and last name of the attendee, company name and country. Name changes will be possible until shortly before the event. You will be able to personalise your pass through an online system. The email with log-in information for the exhibitor portal has been distributed to the primary contact person.

Exhibitors will have the opportunity to pick up their badges early on **Sunday, 15 June, between 12 -15:00 at the exhibitor information desk** in the reception area. The registration desk will further be open until 18:00 on Sunday. Should you arrive later, badge pick up will also be possible starting from Monday morning at 8:00. During set up, there is no badge required.

COMPLIMENTARY WORK PASSES

Complimentary work passes for set up and dismantling you can pick-up on site at Information desk at entrance hall.

C2 Information: Exhibitor Badges and further Tickets 2/2

Fax to: +49 (0) 341 678 7912 Email: ispo@lm-international.com

ADDITIONAL EXHIBITOR PASSES AND REGISTRATIONS

You will be able to purchase via the registration portal:

- **Additional exhibitor passes**
- **Congress registrations** (one day or full at a reduced rate for exhibition booth staff)
- **Lead scanning service**
- **Lunch box options**
- **City Hall reception tickets**

Prices and registration options can be found as follows:

Purchase Item	Price
Additional exhibitor badge	SEK 900
Congress day ticket – special rate for exhibitors	SEK 2,600 (exhibitor pass mandatory)
Full congress registration – special rate for exhibitors	SEK 5,000 (exhibitor pass mandatory)
Lead scanning service	SEK 4,000 per exhibitor – includes access for all staff members
City Hall reception	Free of charge As there is only a limited number of tickets available, ISPO and the City of Stockholm kindly ask to consider the registration as binding . Bookings are made on a first come, first served basis. <i>We honour our collective responsibility to be more sustainable and reduce waste and ask you to only commit to coming if you are sure to participate.</i>
Lunch box options	SEK 196 per day (available Monday – Thursday)

How can I buy additional exhibitor badges and registrations?

➡ The email with log-in information for the exhibitor portal has been distributed to the primary contact person

If you do not require any additional exhibitor badges or registrations, there is no action required.

C4 : Material Handling and Shipping

Deadline:**16/03/2025**

Official Freight Forwarding Contractors, Courier and Storage

PRO MESSE-SERVICE GMBH (Germany) as the official appointed Freight Forwarder will handle all shipments. Exhibitors are therefore requested to consult **PRO MESSE-SERVICE** for any matter concerning forwarding exhibits to Stockholm.

You can also appoint your own shipping company

Be aware that this company also take care the customs clearance.

➔ **PRO MESSE-SERVICE GMBH** can store your deliveries of third shipping companies after customs clearance.

Courier Service (UPS, DHL...):

It is not possible to send parcels (even with simple journals/flyers) by courier to your hotel or the venue because the shipment has also to be cleared by a company owning a customs ID.

➔ **PRO MESSE-SERVICE GMBH** offers this service.

Shipping Guidelines

To ensure smooth handling of your exhibits, **PRO MESSE-SERVICE GMBH** will be glad to provide their shipping guidelines to you.

C6 : Advertisement and Sponsorship

(A) Become a sponsor of the World Congress

Interested in becoming a sponsor of the World Congress? By committing to a sponsorship, you will not only support the activities of the International Society for Prosthetics and Orthotics (ISPO) but also ensure a high visibility of your company presence.

For the highest visibility, become [a level sponsor](#). Packages include multiple benefits to ensure a strong corporate presence before and during the congress.

Besides the packages, ISPO is offering attractive [single sponsorship opportunities](#):

Wifi sponsor (exclusive)

Price: 4,500 EUR

Connect over 4,000 congress participants to the internet! Provide free Wifi throughout the congress and exhibition venue. All participants will be led to a landing page presenting the sponsors company name and logo to access the Wifi. In addition, your company name will also be promoted through the following measures:

- On a promotional slide in all session rooms
- On signage in the venue
- Logo in email to all congress registrants with information on Wifi access

Water sponsor (exclusive)

Price: 5,000 EUR

Help participants to stay hydrated during the congress! As water sponsor, your logo will be displayed on or next to all water dispenser stations in the venue. Dispenser stations are the most environmental friendly solution to offer refreshments to the participants. Your logo will further be promoted through the following measures:

- On a promotional slide in all session rooms
- On signage in the venue
- Logo in email to all congress registrants with information on refreshments

Coffee break sponsor (exclusive)

Price: 5,000 EUR

Support the set up of a coffee station for participants to relax and refresh between the sessions! The congress will offer two coffee breaks per day providing coffee, tea and soft drinks. Your logo will be displayed:

- On display stand in the coffee area
- On a promotional slide in all session rooms
- On signage in the venue
- Logo in email to congress delegates

Extra benefit: If you wish, you can distribute branded treats at the coffee table.

C6 : Advertisement and Sponsorship

(B) Book additional advertising

You will find both, digital and on-site advertising opportunities to make your company and products more seen.

- ➔ Please [read here](#) for a whole list of available opportunities or get in touch with the project team to discuss your option.

For further questions, please contact:

Ms. Mandy Port, Project Manager

Phone: +49 341 678 8236

Email: m.port@leipziger-messe.de

D1 : Hotel Accommodation

As hotels in Stockholm tend to be fully booked in June **due to Midsommar** celebrations and rates are expected to increase significantly coming closer to the event, we highly recommend you to take care of your accommodation **as early as possible**. To ensure availability, contingents and fixed rates have been blocked at several hotels near the event venue and downtown Stockholm. Reservations can now be easily made through the [hotel portal](#).

If you prefer accommodation close to the venue, we recommend the following hotels:

- **Scandic Talk**
- **Best Western Royal Star**

If you prefer to stay in the city centre of Stockholm, you will find a broad list of suggestions in the hotel portal, most of them are situated in the city centre close to central station. From central station, the commuter train takes you to Älvsjö station at Stockholmsmässan in only 9 minutes.

If you are looking for low-budget accommodation, you will find a list of hostels in the portal. **No contingents are reserved there, so make your booking quickly!**

For questions regarding accommodation, please contact the Congress Secretariat, Travel Team Sweden AB:

- Phone: +46 10 188 25 00 (Opening hours: Monday-Friday, 08:00-17:00 CET)
- Email: ispo-accommodation@travelteam.se

D2 : Visa Support and Travel Recommendations

Depending on your country of origin, you may require a travel visa to enter Sweden.

Standard visa invitation letters are provided to all registrants.

To find out if your country has a visa exemption arrangement with Sweden, visit the following websites:

- [Visitors who require a visa](#)
- [Information about visa and entry requirements](#)

If you require a visa to travel to the congress, please contact the Swedish Embassy or Consulate in your country or region. The Embassy or Consulate will advise on specific visa requirements, such as information on travel visa application and submission procedures, required documents, application fees payable, etc.

It is the exhibitor's responsibility to ensure any legal entry requirements are adhered to and that any relevant visas are obtained in advance.

Please inform yourself well in advance about entry requirements for Sweden and make the necessary arrangements.

If your booth staff requires a visa invitation letter, your trade show organiser have to indicate it during the registration process in the Exhibitor Portal. After that an email will be sent to you where you should fill out your personal details together with your passport number.

TRAVEL INFORMATION

Älvsjö is accessible via the Arlanda Airport, located 24 miles from the city centre. With direct flight connections from over 150 destinations worldwide, getting to Stockholm is easy.

As Stockholm has a strong commitment to sustainability, the capital of Sweden offers an extensive transportation network of subways, trams, busses, ferries or commuter trains. The transportation system also ensures accessibility for people with mobility issues.

Getting to Stockholmsmässan Stockholm from the airport

The World Congress will take place at Stockholmsmässan Stockholm, the Nordic region's largest meeting place with industry-leading fairs and hundreds of national and international congresses, conferences and events.

Address:

Mässvägen 1
Älvsjö, Stockholm
Sweden

Arlanda Express is the fastest way of getting from Arlanda airport to the Stockholm City centre, only 18 minutes travel time. The trains depart every 10 minutes in rush hour traffic. The ticket is valid for 90 days when purchased. Find useful information at www.arlandaexpress.com/

D2 : Visa Support and Travel Recommendations

At central station, you can easily switch to the commuter train that takes you to Stockholmsmässan in 9 minutes.

Moreover, from Arlanda Airport, you can travel directly by commuter train to Älvsjö station, which is located right next to Stockholmsmässan. The journey takes 47 minutes.

Plan your journeys and find useful information about the public transport system of the city of Stockholm. Find useful information at sl.se/en/in-english

Exploring the city

Make the most of your stay in Stockholm and Sweden and don't miss to explore the city while visiting the congress.

Stockholm is known as a vibrant, multicultural city. Founded more than 800 years ago, Stockholm is a mix of historic buildings and a modern aesthetic. Built on 14 islands, Stockholm offers spectacular views of the Baltic Sea, is home to three UNESCO World Heritage Sites, and offers access to more than 100 museums and world class dining and night life. Plan your stay and take the opportunity to explore the Swedish capital. Find useful tips and information at visitstockholm.com.

Swedish culture is characterised by a focus on simplicity, equality, and social responsibility. It values nature, with a deep appreciation for the outdoors and a strong commitment to sustainability. Sweden is also known for its design, from minimalist furniture to iconic fashion brands. Overall, Swedish culture is a unique blend of tradition and innovation, rooted in a strong sense of community and social consciousness. Find more information about Sweden at visitsweden.com.
