# ISPO 21<sup>st</sup> World Congress

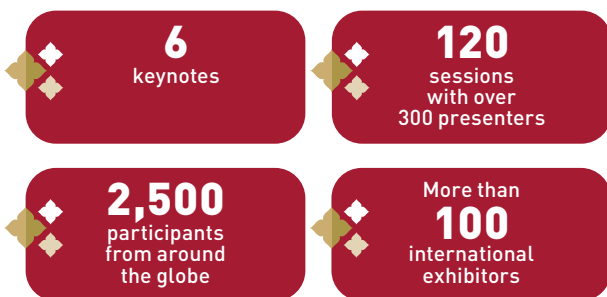

The premier global event for mobility products

With a mission to reach the global community, the World Congress of the International Society for Prosthetics and Orthotics (ISPO) travels from region to region. For the first time the congress will take place in South-East-Asia, one of the world's fastest growing regions. **Become an exhibitor and join the community from 22 – 25 March in the vibrant city of Bangkok, Thailand!**

## Event profile

Every two years, professionals involved in the support of persons in need of mobility products, assistive technology, and rehabilitation services meet at the ISPO World Congress which combines a high-quality scientific programme with an international industry exhibition.

## What you can expect:

## High satisfactory rate:

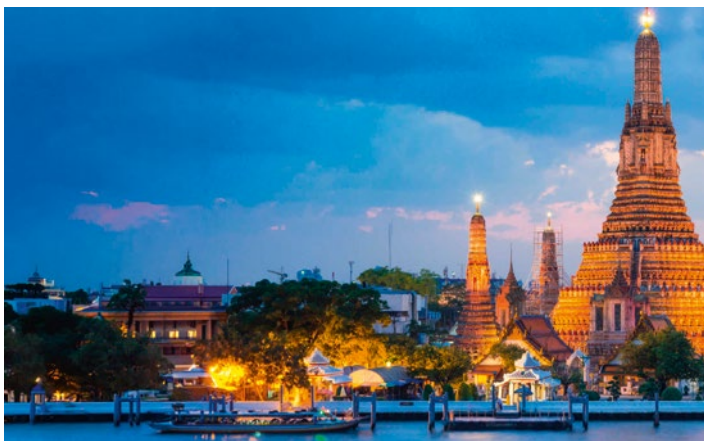

\*I.S.P.O. World Congress 2025 evaluation

## Organiser

**International Society for  
Prosthetics and Orthotics**

ISPO is a global, multidisciplinary, non-governmental organisation dedicated to improving the quality of life for people who may benefit from prosthetic, orthotic, mobility and assistive technology. For more than 50 years, ISPO has provided an effective platform for exchange and communication on all aspects of the science and practice associated with the provision of mobility, rehabilitation engineering, wheelchairs and related areas.

## A World Connected: Advancing Assistive Technologies for Global Equity

This year's congress theme advocates for a globally interconnected approach to promoting individual empowerment and overall well-being, positioning assistive technologies at the centre of comprehensive rehabilitation. The congress will serve as a central forum for disseminating cutting-edge research and best practices, thereby advancing assistive technologies. This focus aims to ensure that technological advancement directly contributes to global equity by supporting universal access to high-quality rehabilitation and assistive technology services and by reducing disparities worldwide.

### Address your target group

Professionals from over 100 countries are invited to Bangkok to participate in the upcoming congress. It will be the perfect setting for presenting your products and services to your target audience!

### Professions involved in P&O

Prosthetists and orthotists  
Rehabilitation engineers  
Orthopaedic shoe technicians  
Rehabilitation technicians  
Mobility technicians and designers  
Biomechanical engineers and other engineers

### Medical professions involved in P&O

Physiatrists  
Orthopaedic surgeons  
Occupational therapists  
Physiotherapists  
Clinical psychologists  
Other related patient care professionals

### Other target groups

Medical suppliers, wholesalers, and retailers  
P&O students  
Suppliers and manufacturers  
Health insurance and social insurance institutions  
Other social institutions

# International exhibition

The industry exhibition will showcase the entire spectrum of products and services in modern orthopaedic treatment and care. Encounter companies from around the world – from the global players to young innovative companies to NGOs, and anything in between.

## Key exhibition areas

Activity monitoring

Assistive technology

Care of older adults

Clothing

Digital manufacturing

Disability sports

Education and training

Elastic supports

Movement analysis

Orthopaedic footwear

## Sponsorship

Sponsorship opportunities are available and range from single options to tailor-made packages. Be sure to secure your personalised sponsorship package as soon as possible and take advantage of the many benefits included and get in touch with us!

Orthotics

Podiatry

Prosthetics

Raw / ancillary materials, factory supplies

Research and development

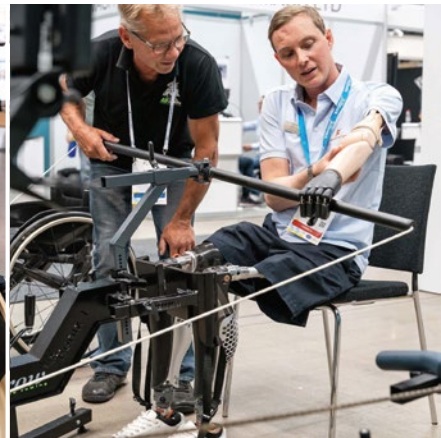

Robotics

Services

Therapeutic equipment

Wheelchair and customised solutions

Workshop fixtures and fittings

# Top 5 reasons why you should exhibit in Bangkok

## 1. Attractive host country and access to the Asian market

The Asia-Pacific region is the fastest-growing market worldwide in O&P. By 2031, the market is expected to grow by 8.12% per year — significantly above the global average. Exhibiting in Bangkok is the ideal gateway to expand across Southeast Asia (e.g. Indonesia, Vietnam, Malaysia), South Asia (e.g. India) and East Asia (China, Japan, South Korea)!

## 2. A rapidly increasing population

By 2050, Asia's elderly population is projected to reach 923 million people, driving demand for long-term mobility solutions for conditions such as osteoarthritis and diabetes-related complications rather than short-term injury care.

## 3. Unexplored market potential

In many low- and middle-income Asian countries, fewer than 5% of people currently have access to essential products like prosthetics, orthotics, and assistive technologies – highlighting a largely unexplored market with strong growth potential.

## 4. Strong openness to innovation

The region adopts new technologies quickly, increasing demand for advanced, cost-effective solutions such as custom 3D-printed devices and microprocessor-controlled systems.

## 5. Leading global event for mobility products in 2027!

# Dates, prices and deadlines

## Dates:

Monday, 22 March to Thursday, 25 March 2027

## Venue:

IMPACT Forum  
Popular Rd  
Ban Mai, Nonthaburi 11120  
Greater Bangkok, Thailand  
[www.impact.co.th/en/](http://www.impact.co.th/en/)

Secure the best spaces and save up to 35 EUR/m<sup>2</sup> with an early registration at [www.ispo-congress.com/exhibit](http://www.ispo-congress.com/exhibit)

## Space rental fees

Stand variant	Regular (as of 31 October 2026)	Super early bird (until 30 June 2026)	Early bird (until 30 October 2026)
Row stand (one side open)	415 EUR/m <sup>2</sup>	380 EUR/m <sup>2</sup>	395 EUR/m <sup>2</sup>
Corner stand (two sides open)	425 EUR/m <sup>2</sup>	390 EUR/m <sup>2</sup>	405 EUR/m <sup>2</sup>
Peninsula stand (three sides open)	435 EUR/m <sup>2</sup>	400 EUR/m <sup>2</sup>	415 EUR/m <sup>2</sup>
Island stand (four sides open)	445 EUR/m <sup>2</sup>	410 EUR/m <sup>2</sup>	425 EUR/m <sup>2</sup>

Floor space only, minimum of 9 m<sup>2</sup> required, all prices net. Additional media fee of 290 EUR will apply. The fee includes the company entry in the online exhibitor directory with company name, address and logo, unlimited product groups and two product descriptions with pictures. Additionally, your company name will further be included in the printed exhibitor directory, available to participants onsite.

## Start-up area

You are a young company that wants to showcase its innovative products to an international audience? Join other young innovative companies and start-ups in a special joint area and benefit from super early bird prices at all times and 100 EUR/m<sup>2</sup> on the space rental fee. Each company will have the opportunity to present a pitch in a special presentation area. Spaces are limited and will be given on a first come, first service basis.

Special conditions also available for NGO's!

## Stand construction

We offer different packages, which include **stand construction, furniture, and electrical connection.**

Option	Price
Standard	134 EUR/m <sup>2</sup>
Deluxe	189 EUR/m <sup>2</sup>
Premium	298 EUR/m <sup>2</sup>

Prices including Thai VAT.

Fees listed are in addition to space rental fees. Individual stand construction is available on request.

Exhibitors will be charged an additional 29 EUR/m<sup>2</sup> for structural inspection and approval of stands which they have erected themselves.

## Important dates

**Allocation of stands for exhibitors**

**1<sup>st</sup> November 2026**

We will collect all registrations until end of October and then start the allocation process starting with the companies who have registered first. Sponsors will be allocated first.

**Mailing of invoices Starting from December**

- For rent
- For stand construction, additional services

### Calculation example

**Row stand: 9 m<sup>2</sup> with stand package**

Row stand super early bird (380 EUR/m <sup>2</sup> )	3,420.00 EUR
Media fee	290.00 EUR
Stand package f.e. Standard (134 EUR/m <sup>2</sup> )	1,206.00 EUR
<b>Total participation price</b>	<b>4,916.00 EUR</b>

# Congress programme

Over the four days of the congress, participants will enjoy a high-quality scientific and technical programme presented by a variety of professionals from various disciplines and countries. The programme is complemented by workshops delivered by exhibitors, offering valuable practical insights.

## Session formats

Keynote lectures

Symposia

Instructional courses

Free paper sessions

Poster presentations

3 Minute Thesis (3MT) student competition

Technical track presentations

Exhibitor workshops

## Contribute to the programme

Proposals for symposia, instructional courses and technical track presentations

**Submission deadline:** 29 June 2026

Abstracts for free papers and posters

**Submission deadline:** 7 September 2026

Exhibitor workshops

**Recommended registration date:** 1 December 2026

Exhibitors are invited to offer individual workshops for congress delegates and exhibition visitors. You are entitled to present a topic of your choice. Make sure you book your workshop room in good time!

◆ The official language of the congress is English.  
◆ Submissions are accepted and presentations are held in English.

## Congress topics

Prosthetics: lower limb transfemoral  
Prosthetics lower limb: transtibial, ankle, foot  
Prosthetics: bone anchored limbs  
Prosthetics and Orthotics: upper limb  
Prosthetics and Orthotics: in less resourced settings  
Orthotics: spinal  
Orthotics: lower limb and footwear  
Device fabrication and design  
Education  
Gait and balance  
Health care, policy, sustainability  
Outcome measurements  
Paediatrics  
Psychosocial issues  
Rehabilitation medicine and surgery  
Robotics, soft robotics, exoskeletons  
Seating and wheelchairs  
Therapy, physical activity, sports

## Social highlights

**Welcome Reception**  
Monday, 22 March 2026

The Welcome Reception will be held in the exhibition hall during the first afternoon of the congress. It will provide an opportunity to experience authentic Thai culture, reconnect with old friends and make new contacts while visiting the exhibitors.

**Complement your stay**

A social and tour programme showcasing the Thai culture will be organised during the World Congress.

- 2007 Vancouver, Canada

Thailand, a vibrant hub at the heart of Asia, uniquely blends rich cultural heritage and dynamic diversity with a modern, forward-thinking spirit. The tropical kingdom has long served as a natural gateway to Southeast Asia—one of the world's fastest-growing regions—warmly welcoming visitors from around the globe. Prepare to discover breathtaking natural beauty, inspiring traditions, and authentic Thai hospitality.

Extend your stay and discover Thailand's stunning tropical beaches, ancient temples, and vibrant street markets that blend traditional culture with modern energy.

● BANGKOK, THAILAND

## Venue

IMPACT Forum is part of Thailand's largest exhibition and convention centre, offering an integrated and highly efficient event experience. Its dedicated layout ensures that World Congress sessions and the exhibition areas are located in close proximity, allowing delegates to move easily between meetings, networking activities, and exhibition spaces.

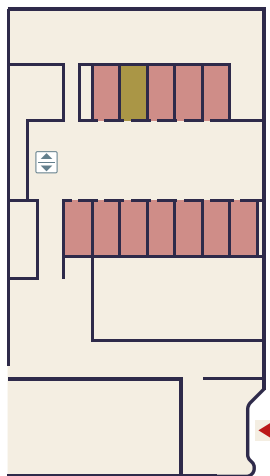

Located within the IMPACT Muang Thong Thani complex in Pak Kret District, Nonthaburi Province, the venue is situated just north of central Bangkok within the greater metropolitan area.
